

Custom Pump Boxes, Acrylic Cases & Assemblies

Pump Boxes: Protect Your Pumps with Confidence

Indelco's pump boxes are designed to enclose metering pumps, keeping them clean, secure, and visible. Built from chemical-resistant and impact-resistant materials, these boxes are ideal for harsh industrial environments like paper mills and chemical plants.

FEATURES

- Clear sliding or hinged doors for full visibility
- Lockable options for added security
- Mounting tabs and optional steel brackets
- Handcrafted for durability and precision

Customization Available:

Need a different size, extra doors, or custom mounting? We can build it to your specs.

MODELS AVAILABLE

SINGLE PUMP BOXES

- Dimensions: 8" W x 12" L x 11" H

Acrylic & Polycarbonate Display Cases

Our clear cases are used in museums, showrooms, and industrial settings. Made from acrylic or polycarbonate, they offer sleek design and full visibility while maintaining strength and durability.

Applications:

- Clear sliding or hinged doors for full visibility
- Lockable options for added security
- Mounting tabs and optional steel brackets
- Handcrafted for durability and precision

Why Choose Indelco Cases?

- 100% handmade to customer specifications
- Custom inlet/outlet holes and mounting options
- Careful packaging for safe delivery

Custom Assemblies: Built to Your Specs
